Little Scientists - This interactive science class will bring out the scientist in your child. Your little scientist will perform simple science experiments and discover how science can help us to better understand the world around us. Your child will have the freedom to engage, ask questions, and understand the natural things that they are curious about.

*** This class includes a snack and story time***

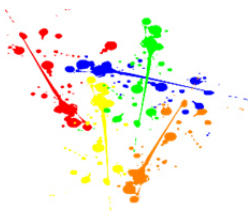

WEDNESDAY 12:00pm-1:15pm / \$385.00 (11 Wednesday classes)

Kids Can Cook – This fun and interactive cooking class engages children in the preparation of healthy foods. Children will learn how to gather ingredients, follow recipes, measure properly, mix, and how to use kitchen equipment safely. Please inform us of any food allergies so that we can adjust the recipes accordingly.

*** This class includes a snack and story time ***

THURSDAY 12:00pm-1:15pm / \$385.00 (11 Thursday classes)

Messy Art – Get ready to make a mess and have fun! This art class will allow your child the freedom to engage with various art mediums using all their senses. We will take inspiration from the story we will read to begin each class. Dress for a mess!
